Aluminum Extrusions From China, Colombia, Dominican Republic, Ecuador, India, Indonesia, Italy, Malaysia, Mexico, South Korea, Taiwan, Thailand, Turkey, United Arab Emirates, and Vietnam

Determinations

On the basis of the record¹ developed in the subject investigations, the United States International Trade Commission ("Commission") determines, pursuant to the Tariff Act of 1930 ("the Act"), that there is a reasonable indication that an industry in the United States is materially injured by reason of imports of aluminum extrusions from China, Colombia, Ecuador, India, Indonesia, Italy, Malaysia, Mexico, South Korea, Taiwan, Thailand, Turkey, United Arab Emirates and Vietnam provided for in subheadings 7604.10.10, 7604.10.30, 7604.10.50, 7604.21.00, 7604.29.10, 7604.29.30, 7604.29.50, 7608.10.00, 7608.20.00, 7609.00.00, 7610.10.00, and 7610.90.00 of the Harmonized Tariff Schedule of the United States, that are alleged to be sold in the United States at less than fair value ("LTFV") and to be subsidized by the governments of China, Indonesia, and Mexico. The Commission also determines that there is a reasonable indication that an industry in the United States is threatened with material injury by reason of imports of aluminum extrusions from Turkey that are alleged to be subsidized by the government of Turkey.²

The Commission further finds that imports of aluminum extrusions from the Dominican Republic that are allegedly sold in the United States at LTFV are negligible pursuant to section 771(24) of the Act, and its investigation with regard to imports from the Dominican Republic is thereby terminated pursuant to section 733(a)(1) of the Act.

Commencement of Final Phase Investigations

Pursuant to section 207.18 of the Commission's rules, the Commission also gives notice of the commencement of the final phase of its investigations. The Commission will issue a final phase notice of scheduling, which will be

published in the **Federal Register** as provided in § 207.21 of the Commission's rules, upon notice from the U.S. Department of Commerce ("Commerce") of affirmative preliminary determinations in the investigations under §§ 703(b) or 733(b) of the Act, or, if the preliminary determinations are negative, upon notice of affirmative final determinations in those investigations under §§ 705(a) or 735(a) of the Act. Parties that filed entries of appearance in the preliminary phase of the investigations need not enter a separate appearance for the final phase of the investigations. Industrial users, and, if the merchandise under investigation is sold at the retail level, representative consumer organizations have the right to appear as parties in Commission antidumping and countervailing duty investigations.
