the Commission should reach in the reviews. Comments are due on or before October 31, 2024 and may not contain new factual information. Any person that is neither a party to the five-year reviews nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the reviews by October 31, 2024. However, should the Department of Commerce (“Commerce”) extend the time limit for its completion of the final results of its reviews, the deadline for comments (which may not contain new factual information) on Commerce’s final results is three business days after the issuance of Commerce’s results. If comments contain business proprietary information (BPI), they must conform with the requirements of §§ 201.6, 207.3, and 207.7 of the Commission’s rules. The Commission’s *Handbook on Filing Procedures*, available on the Commission’s website at https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf, elaborates upon the Commission’s procedures with respect to filings.

In accordance with §§ 201.16(c) and 207.3 of the rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Determinations.—The Commission has determined these reviews are extraordinarily complicated and therefore has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

Authority: These reviews are being conducted under authority of title VII of the Act; this notice is published pursuant to § 207.62 of the Commission’s rules.

By order of the Commission.

Issued: September 12, 2024.

Lisa Barton,

Secretary to the Commission.

SUPPLEMENTARY INFORMATION: *Scope.*—For purposes of these investigations, Commerce has defined the subject merchandise as “. . . certain paper plates. Paper plates subject to this investigation may be cut from rolls, sheets, or other pieces of paper and/or paper board. Paper plates subject to this investigation have a depth up to and including two (2.0) inches, as measured vertically from the base to the top of the lip, or the edge if the plate has no lip.

Paper plates subject to this investigation may be uncolored, white, colored, or printed. Printed paper plates subject to this investigation may have any type of surface finish, and may be printed by any means with images, text and/or colors on one or both surfaces. Colored paper plates subject to this investigation may be colored by any method, including but not limited to printing, beater-dyeing, and dip-dyeing. Paper plates subject to this investigation may be produced from paper of any type (including, but not limited to, bamboo, straws, bagasse, hemp, kenaf, jute, sisal, abaca, cotton inters and reeds, or from non-plant sources, such as synthetic resin (petroleum)-based resins), may have any caliper or basis weight, may have any shape or size, may have one or more than one section, may be embossed, may have foil or other substances adhered to their surface, and/or may be uncoated or coated with any type of coating.

The paper plates subject to this investigation remain covered by the scope of this investigation whether imported alone, or in any combination of subject and non-subject merchandise. When paper plates subject to this investigation are imported in combination with non-subject merchandise, only the paper plates subject to this investigation are subject merchandise. The paper plates subject to this investigation include paper plates matching the above description that have been finished, packaged, or otherwise processed in a third country by performing finishing, packaging, or processing that would not otherwise remove the merchandise from the scope of the investigation if performed in the country of manufacture of the paper plates. Examples of finishing, packaging, or other processing in a third country that would not otherwise remove the merchandise from the scope of the investigation if performed in the country of manufacture of the paper plates include, but are not limited to, printing, application of other surface treatments such as coatings, repackaging, embossing, and application of foil surface treatments.

Excluded from the scope of this investigation are paper plates molded or pressed directly from paper pulp (including but not limited to unfelted pulp), which are currently classifiable under subheading 4823.70.0020 of the Harmonized Tariff Schedule of the United States (HTSUS). Also excluded from the scope of this investigation are articles that otherwise would be covered but which exhibit the following two physical characteristics: (a) depth (measured vertically from the base to

the top of the lip, or edge if no lip) equal to or greater than 1.25 inches but less than two (2.0) inches, and (b) a base not exceeding five (5.0) inches in diameter if round, or not exceeding 20 square inches in area if any other shape.

Also excluded from the scope of this investigation are paper bowls, paper buckets, and paper food containers with closeable lids.

Paper plates subject to this investigation are currently classifiable under HTSUS subheading 4823.69.0040. Paper plates subject to this investigation also may be classified under HTSUS subheading 4823.61.0040. If packaged with other articles, the paper plates subject to this investigation also may be classified under HTSUS subheadings 9505.90.4000 and 9505.90.6000. While the HTSUS subheading(s) are provided for convenience and customs purposes, the written description of the subject merchandise is dispositive."

Background.—The final phase of these investigations is being scheduled pursuant to sections 705(b) and 731(b) of the Tariff Act of 1930 (19 U.S.C. 1671d(b) and 1673d(b)), as a result of affirmative preliminary determinations by Commerce that certain benefits which constitute subsidies within the meaning of § 703 of the Act (19 U.S.C. 1671b) are being provided to manufacturers, producers, or exporters in China and Vietnam of paper plates, and that such products are being sold in the United States at less than fair value within the meaning of § 733 of the Act (19 U.S.C. 1673b). The investigations were requested in petitions filed on January 25, 2024, by the American Paper Plate Coalition, which is comprised of AJM Packaging Corporation, Bloomfield Hills, Michigan, Aspen Products, Inc., Kansas City, Missouri, Dart Container Corporation, Mason, Michigan, Hoffmaster Group, Inc., Oshkosh, Wisconsin, Huhtamaki Americas, Inc., De Soto, Kansas, and the Unique Industries, Inc., Philadelphia, Pennsylvania.

Participation in the investigations and public service list.—Persons, including industrial users of the subject merchandise and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the final phase of these investigations as parties must file an

entry of appearance with the Secretary to the Commission, as provided in § 201.11 of the Commission's rules, no later than 21 days prior to the hearing date specified in this notice. A party that filed a notice of appearance during the preliminary phase of the investigations need not file an additional notice of appearance during this final phase. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

Please note the Secretary's Office will accept only electronic filings during this time. Filings must be made through the Commission's Electronic Document Information System (EDIS, <https://edis.usitc.gov>). No in-person paper-based filings or paper copies of any electronic filings will be accepted until further notice.

Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and BPI service list.—Pursuant to § 207.7(a) of the Commission's rules, the Secretary will make BPI gathered in the final phase of these investigations available to authorized applicants under the APO issued in the investigations, provided that the application is made no later than 21 days prior to the hearing date specified in this notice. Authorized applicants must represent interested parties, as defined by 19 U.S.C. 1677(9), who are parties to the investigations. A party granted access to BPI in the preliminary phase of the investigations need not reapply for such access. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Staff report.—The prehearing staff report in the final phase of these investigations will be placed in the nonpublic record on January 7, 2025, and a public version will be issued thereafter, pursuant to § 207.22 of the Commission's rules.

Requests to appear at the hearing should be filed in writing with the Secretary to the Commission on or before Thursday, January 16, 2025. Any requests to appear as a witness via videoconference must be included with your request to appear. Requests to appear via videoconference must include a statement explaining why the witness cannot appear in person; the Chairman, or other person designated to conduct the investigation, may in their discretion for good cause shown, grant

such a request. Requests to appear as remote witness due to illness or a positive COVID-19 test result may be submitted by 3pm the business day prior to the hearing. Further information about participation in the hearing will be posted on the Commission's website at <https://www.usitc.gov/calendarpad/calendar.html>.

A nonparty who has testimony that may aid the Commission's deliberations may request permission to present a short statement at the hearing. All parties and nonparties desiring to appear at the hearing and make oral presentations should attend a prehearing conference, if deemed necessary, to be held at 9:30 a.m. on Tuesday, January 21, 2025. Parties shall file and serve written testimony and presentation slides in connection with their presentation at the hearing by no later than 4:00 p.m. on January 22, 2025. Oral testimony and written materials to be submitted at the public hearing are governed by sections 201.6(b)(2), 201.13(f), and 207.24 of the Commission's rules. Parties must submit any request to present a portion of their hearing testimony *in camera* no later than 7 business days prior to the date of the hearing.

Written submissions.—Each party who is an interested party shall submit a prehearing brief to the Commission. Prehearing briefs must conform with the provisions of § 207.23 of the Commission's rules; the deadline for filing is January 15, 2025. Parties shall also file written testimony in connection with their presentation at the hearing, and posthearing briefs, which must conform with the provisions of § 207.25 of the Commission's rules. The deadline for filing posthearing briefs is January 30, 2025. In addition, any person who has not entered an appearance as a party to the investigations may submit a written statement of information pertinent to the subject of the investigations, including statements of support or opposition to the petition, on or before January 30, 2025. On February 14, 2025, the Commission will make available to parties all information on which they have not had an opportunity to comment. Parties may submit final comments on this information on or before February 19, 2025, but such final comments must not contain new factual information and must otherwise comply with § 207.30 of the Commission's rules. All written submissions must conform with the provisions of § 201.8 of the Commission's rules; any submissions that contain BPI must also conform with the requirements of §§ 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's *Handbook on Filing*

Procedures, available on the Commission's website at https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf, elaborates upon the Commission's procedures with respect to filings.

Additional written submissions to the Commission, including requests pursuant to § 201.12 of the Commission's rules, shall not be accepted unless good cause is shown for accepting such submissions, or unless the submission is pursuant to a specific request by a Commissioner or Commission staff.

In accordance with §§ 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the investigations must be served on all other parties to the investigations (as identified by either the public or BPI service list), and a certificate of service must be timely filed. [OMB Number 1125-0010]

Agency Information Collection Activities; Proposed eCollection; eComments Requested; Extension of a Previously Approved Collection; Notice of Appeal to the Board of Immigration Appeals From a Decision of a DHS Officer (EOIR-29)

AGENCY: Executive Office for Immigration Review, Department of Justice.

ACTION: 60-day notice.

SUMMARY: The Executive Office for Immigration Review (EOIR), Department of Justice (DOJ), will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995.

DATES: Comments are encouraged and will be accepted for 60 days until November 18, 2024.

FOR FURTHER INFORMATION CONTACT: If you have additional comments especially on the estimated public burden or associated response time, suggestions, or need a copy of the proposed information collection instrument with instructions or additional information, please contact Raechel Horowitz, Chief, Immigration Law Division, Executive Office for Immigration Review, 5107 Leesburg Pike, Suite 2500, Falls Church, VA 22041, eoir.pra.comments@usdoj.gov or Raechel.horowitz@usdoj.gov, telephone (703) 305-0473.

SUPPLEMENTARY INFORMATION: Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Evaluate whether and if so how the quality, utility, and clarity of the information to be collected can be enhanced; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses.

Abstract: A party affected by a decision of a Department of Homeland Security (DHS) Officer may appeal that decision to the Board of Immigration Appeals (BIA or Board), provided that the Board has jurisdiction pursuant to 8 CFR 1003.1(b). The party must complete the Form EOIR-29 and submit it to the DHS office having administrative control over the record of proceeding in order to exercise its regulatory right to appeal.

EOIR has revised the form so that respondents can provide a safe mailing

address where they can safely and timely receive mail. EOIR has made the following substantive changes to the form: allowing respondents to provide a safe mailing address and to designate another individual to receive mail; and including new fields for the respondent's street address, apartment or unit number, city, state, and zip code, rather than a single field for the respondent's address. In addition, EOIR has made the following non-substantive changes: modifying the appearance and formatting of the General Instructions; revising the existing form instructions for clarity; and updating links to web pages and resources embedded throughout the form. EOIR intends these revisions to reduce the public's burden in completing the form and to reduce the Agency's processing time for each form.
